Off-Base Water Customer
Box Elder SD 57719

Dear Customer

Ellsworth Air Force Base, a community water system, is required to deliver to consumers a brief annual water quality report in accordance with the Safe Drinking Water Act of 1996. Please find included with this letter a copy of the Ellsworth AFB 2017 Consumer Confidence Report for Drinking Water Quality. This report presents information on the source of our water, its constituents, and the health risks associated with contaminants.

CONCLUSION: The drinking water at Ellsworth AFB is safe and there are no significant levels of contaminants in the water supply.

Please direct questions to Technical Sergeant Jon R. Andrew, Bioenvironmental Engineering Noncommissioned Officer in Charge at (605) 385-3172.

Sincerely

For: JOHN R. EDWARDS, Colonel, USAF
Commander
