

**DEPARTMENT OF THE AIR FORCE
HEADQUARTERS 28TH BOMB WING (AFGSC)
ELLSWORTH AIR FORCE BASE SOUTH DAKOTA**

MEMORANDUM FOR 28TH BOMB WING AND ASSOCIATE UNITS

FROM: 28 BW/CV

SUBJECT: Ellsworth AFB Environmental Commitment Statement

1. Ellsworth Air Force Base is committed to conduct its mission in an environmentally responsible manner to protect and conserve human health, natural resources, and the environment, while doing the following:

- R** educe and prevent pollution at its source, reduce energy consumption, and recycle wherever feasible.
- A** dopt attainable goals to promote conservation of our natural and man-made resources.
- I** mprove our environmental performance through continuous evaluation of our processes and procedures and implementing solutions.
- D** evelop knowledgeable and competent personnel through environmental training and guidance.
- E** nvironmental protection and conservation are primary management responsibilities as well as the responsibility of every Airman.
- R** esolve to achieve or exceed our Environmental Management System objectives; thus improving our operational readiness and mission capability.

2. Understanding this commitment and compliance with all federal, state, and local regulatory requirements is the responsibility of all Ellsworth members, and is vital to the installation's continued environmental excellence and mission sustainment. To assist in communicating the installation's environmental commitment, this memorandum or the attached poster will be posted on organizational bulletin boards.

ERIC D. HRESKO, Colonel, USAF
Vice Commander
Chairman, Environmental, Safety and Occupational
Health Council
